.....

For your own health and safety we strongly recommend that your tetanus injection is up-to-date before you commence volunteering with the animals at Ard Jerkyl.

Signature Print Name.....

Date.....

Please don't wait for us to contact you – simply come and meet the teams and our animals between 1.00pm and 4.00pm any day (except for Thursdays). If you wish to volunteer with our dogs you will need to arrange a health and safety induction with a member of the Kennels team. Please call them on 851672, option 1, and leave message on the answer machine if there's no-one to take your call straight away. THANK YOU!
